NSP

Narratives

Executive Summary:

A Consortium of local non-profit organizations was awarded funding in the amount of \$10,191,000.00 for a Neighborhood Stabilization Program to stabilize neighborhoods in El Paso County, Texas whose viability has been and continues to be damaged by the economic effects of properties that have been foreclosed upon and abandoned. The Consortium is comprised of the El Paso Collaborative for Community and Economic Development, Project Vida, Ayuda, Inc. and Habitat for Humanity El Paso. The Consortium has selected the El Paso Collaborative for Community and Economic Development to serve as lead member and fiscal agent.

The goal of the project is to acquire, rehabilitate and return to productive service a minimum of 125 single-family units in 22 eligible census tracts located inside and outside the city limits of the City of El Paso. The homes will be returned to active service for a combination of homeownership and rental. The project's end-users will be households with incomes up to 120% AMFI with a minimum of 25% of program funds reserve for end-users with incomes at or below 50% AMFI.

The Consortium has selected 2 for-profit partners who will help carry out the NSP2 Program. They are Dawco Builders, LLC., Karma/JKS Properties Inc. Dawco and Karma/JKS will join Consortium Members in the role of developers that will acquire/rehabilitate properties and sell them to income-eligible households.

Target Geography:

Using HUD's mapping system, the Consortium identified 22 eligible census tracts scattered throughout the greater El Paso Area (city and outline areas of the county). The highest concentration of foreclosures is occurring in the City of El Paso's "Eastside" where there are 12 eligible census tracts, 5 with foreclosure scores of 20. There are 2 eligible census tracts on the other side of the Franklin Mountains, the "Westside"; another 2 tracts are in "Northeast" El Paso, north of the Fort Bliss Military Reservation; and another 2 are in the "Ysleta-Lower Valley" areas of the city. The remaining 4 census tracts are located outside of El Paso's city limits in the communities of Horizon City, San Elizario, Clint and Tornillo. It is interesting to note that in 15 of the 22 targeted census tracts the 2008 estimated median income levels were above 2008 HUD median income guideline and illuminates the fact that the census tracts with the highest foreclosure scores were considered middle, upper and moderate income census tracts.

The targeted census tracts are: 103.07, 103.11, 103.12, 103.13, 103.14, 103.15, 103.20, 103.21, 43.07, 43.14, 43.15, 43.16, 102.04, 102.09, 40.04, 41.04, 1.07, 102.06, 103.09, 104.03, 104.04, 105.01.

Program Approach:

El Paso Collaborative and its Consortium Members have designed a program to assist 22 eligible census tracts located in El Paso County. The goal of the program will be to acquire, rehabilitate and return to active service 125 foreclosed or abandoned properties. To accomplish the desired outcomes, 5 developers plus El Paso Collaborative will share the responsibilities for acquisition and rehabilitation (3 Consortium Members and 2 for-profit partners will serve as developers). For-profit partners were selected not only for their expertise in acquisition and rehabilitation but for their willingness to introduce new concepts and ideas that will assist in long term affordability, green features, and energy efficiency of the units. With its experience as a community lender El Paso Collaborative will make loans to developers and Consortium Members for the purchase and redevelopment of eligible properties. El Paso Collaborative will make low interest loans to developers and 0% interest loans to Consortium Members. New and existing staff will administer the NSP2 Program, assure all aspects of the NSP2 Grant agreements/policies/procedures/activities will be properly implemented and monitored.

El Paso Collaborative will acquire 5 NSP single-family homes to use as rental properties for households up to 120% AMFI and will reduce the same number of homeownership units. This will afford the organization the opportunity to develop long-term assets for the corporation and build capacity for future rental programs opportunities.

Consortium Members:

El Paso Collaborative for Community & Economic Development is the Lead Member of a Consortium, comprised of 4 local non-profit organizations. The other Consortium Members are Habitat for Humanity El Paso, Project Vida and Ayuda, Inc. Combined the 4 organizations have extensive experience in housing development (single and multi-family), homebuyer assistance, financing, counseling, and rental management. The El Paso Collaborative was certified in 2001 by the U.S. Treasury as a Community Development Financial Institution (CDFI).

Roles of Consortium Members:

El Paso Collaborative will be the Lead Member, fiscal agent and will coordinate the program. In addition they will: make lines of credit available to for-profit developers and Consortium Members for acquisition and rehabilitation of NSP eligible properties, and monitor all activities. Project Vida and Ayuda, Inc. will acquire, rehabilitate, rent and manage (20) properties to eligible households at or below 50% AMFI. Habitat for Humanity El Paso will acquire, rehabilitate, sell and finance (15) properties to eligible households at or below 50% AMFI.

Overall Progress Narrative:

Overall Progress Narrative: During Qtr. 1 2013: El Paso Collaborative (EPC) has made considerable progress in all areas of the NSP2 program. At the end of the previous quarter, EPC has spent \$12,772,440. As of March 31, 2013 we have spent \$13,643,350 and we have obligated \$14,074,658 and ended the quarter at 125% drawdown rate. The Consortium met the national objective of making permanent housing available for 101 households. Acquisition and rehabilitation activities: 7 properties were acquired in this quarter for a cumulative total of 117 properties through end of Quarter 1/2013. EPC has made offers to acquire three additional properties. Rehabilitation was completed on 14 properties, and 2 others are currently being rehabilitated.

Homebuyer activities: During this quarter 9 households at or below 120 % AMFI purchased NSP homes. Cumulatively (not including the properties sold by Habitat for Humanity El Paso) a total of 66 NSP homes were sold. Two additional homebuyer sales contracts were initially scheduled to close during this quarter but closings dates were changed to early April. Marketing and Outreach Activities continued throughout this quarter and included outreach to the Korean community, local school districts and nonprofit organizations.

Homebuyer activities by Consortium Member Habitat for Humanity: The final three households purchased NSP homes. Habitat has completed the terms of their Consortium Member Agreement and all 15 properties were developed and sold to households at or below 50% AMFI.

Rental Program activities: Consortium Members Project Vida and AYUDA had completed the acquisition, rehabilitation and rental of their properties in a prior quarter. All units were rented to households at or below 50% AMFI: 5 for AYUDA and 15 for Project Vida.

PROGRESS – CONSORTIUM MEMBERS

Lead Consortium Member- El Paso Collaborative for Community and Economic Development (EPC) – During Qtr 1/2013, EPC began activities for its own rental component. Activities included marketing and outreach; acquisition and rehab. Rental units will be made available to households with incomes up to 120% AMFI and rents will be established at “High” HOME rents adjusted for utilities. EPC’s rental program includes a 10 calendar day “Veteran’s Preference” before making the properties available to NSP-eligible members of the general public. EPC has entered into a Property Management Agreement with Project Vida to manage its rental properties.

Consortium Member -Habitat for Humanity El Paso (HFHEP) - Habitat’s goal was to acquire and rehabilitate 15 NSP homes for sale to households at/below 50% AMFI. During Qtr 1/2013, Habitat completed rehab and sold the final 3 NSP homes. HFHEP incorporated sweat equity and volunteer labor in some of their rehabilitation projects in addition to using general contractors. Habitat has completed all NSP activities per the terms of their Consortium Member Agreement.

Consortium Member – Project Vida (PV)- PV’s original goal was to acquire and rehabilitate 15 NSP homes to rent to households at/below 50% AMFI. PV has completed all 15 projects in a prior quarter. PV is also acting as Property Manager for both their properties and for another Consortium Member, AYUDA. Under the terms of an amended Consortium Agreement, PV is acting as a Developer and selling acquired/rehabbed properties to LMMI households. During Qtr. 1/2013, PV completed rehabilitation on another property and sold 2 NSP properties. Cumulatively PV has sold 4 of their 7 properties, has an executed homebuyer contract on another one and has two properties on the market awaiting contracts from LMMI households.

Consortium Member – AYUDA, Inc.- AYUDA’s goal was to acquire, rehabilitate and rent 5 NSP homes to households at/below 50% AMFI. AYUDA had completed and leased all 5 of their properties. AYUDA is making efforts to build their capacity to manage its own properties. Until that occurs, PV and AYUDA renewed their Property Management Agreement. EPC is working closely with AYUDA to assure they have the capacity to assume this role before this transition may occur.

DEVELOPERS

Developer Karma JKS Properties, Inc. (JKS) – During Qtr. 1/2013, JKS acquired 5 new properties, completed rehabilitation and sold 7 NSP homes. To date JKS has completed and sold 37 properties. This developer has 3 executed homebuyer sales contracts that should close during Qtr. 2. JKS has begun rehab on 2 properties, with estimated completion dates during Qtr. 2. 2013.

Developer Dawco Builders, LLC-DAWCO completed the terms of its NSP2 Developer Agreement in Qtr. 4/2012.

PROPERTY ACQUISITION CHALLENGES

At this time new acquisitions are continuing smoothly.

REHABILITATION CHALLENGES

At this time rehabilitation activities are running smoothly.

PRIMARY LENDERS AND NSP HOMEBUYER ASSISTANCE SECONDARY FINANCING

1. As a direct result of EPC receiving FHA Secondary Financing approval from HUD, financing is no longer a challenge. Two additional households obtained NSP homes with FHA mortgages in conjunction with our

Neighborhood Stabilization Program. To date, 4 households have obtained FHA financing.

2. During Qtr 1/2013, we encountered an issue with the NSP Properties being treated as a "Flip Transaction" and one of our participating lenders triggered a requirement of 90 day seasoning of title before any NSP property could enter into purchase contract with a homebuyer obtaining conventional type financing. Two households were affected by this issue and subsequently closing was delayed. After continual follow up with lender both households were ultimately able to close on their NSP homes. We continue to work closely with this lender to address this issue from affecting future NSP loan closings.

Activity Description:

Acquisition of NSP eligible units and re-sale to LMMI households

Location Description:

NSP eligible targeted census tracts.

Activity Progress Narrative:

Consortium Member &ndash Project Vida (PV)- PV’s original goal was to acquire and rehabilitate 15 NSP homes to rent to households at/below 50% AMFI. PV has completed all 15 projects in a prior quarter. PV is also acting as Property Manager for both their properties and for another Consortium Member, AYUDA.

Under the terms of an amended Consortium Agreement, PV is acting as a Developer and selling acquired/rehabbed properties to LMMI households. During Qtr. 1/2013, PV completed rehabilitation on another property and sold 2 NSP properties. Cumulatively PV has sold 4 of their 7 properties, has an executed homebuyer contract on another one and has two properties on the market awaiting contracts from LMMI households.
